

Invernomuto - SHORT BIO [EN]

Invernomuto was founded in 2003 by Simone Bertuzzi and Simone Trabucchi. Emphasizing on the collapse and subsequent mixture of languages, Invernomuto produces works without a set format such as ffwd_mag, their research ranges from the production of single-channel videos, live-media performances' design, to the curating of events and special projects. Invernomuto participated to many group-shows, international festivals, among which Domus Circular (Milan, 2005), Netmage 07 (Bologna, 2007), in the occasion of which they created the identity image and the project Bissera), Invisible Miracles (Milan, 2007), Fair_Play (Lugano, 2008), Biennale Architettura 11 (Venice, 2008, with Perspectives on Archive: Check-In Architecture), Hors Pistes 2009 (Centre Pompidou, Paris, 2009), No Fun Fest (New York, 2009), Kubla Khan (Arte Contempo, Lisboa, 2009), Nothing But a Show (Castello Sforzesco, Milan, 2009), Ars artists residence show (Fondazione Pomodoro, Milan, 2010) and Terre Vulnerabili (Hangar Bicocca, Milano, 2010/2011).
